

# Principles on Responsible Agricultural Investment (RAI)

Consideration of those principles within the context of CFS

## 36th CFS session (October 2010)

- *start an inclusive process of consideration of the RAI principles within the CFS*
- *ensure consistency and complementarity between the Voluntary Guidelines on Land Tenure and the RAI*

## 36th CFS session (October 2010)

HLPE on Food Security was mandated to undertake studies on land issues, such as:

*A Comparative analysis of tools to align large scale investments with country food security strategies*

- Bureau has mandated me to have informal contacts with the various stakeholders
- Objective: present concrete roadmap on further RAI consultations
- When? At the next Bureau-meeting (28.01.2011). Might be later.

## Clarification needed on:

- **Participation** in consultation process
- **Deadline:** October 2011/2012?
- **Format:** meetings/electronic? Global/regional/local?
- **Content**, including enforceability of the principles
- **Coherence with:**
  1. Voluntary Guidelines on land tenure
  2. High Level of Experts
  3. G20 Seoul Summit
