Mechanism**

Dear Colleagues

The IUF is the global trade union representing workers throughout the food chain. The IUF is currently composed of 391 trade unions in 124 countries. It has industrial and geographical/6 regional structures with elected representatives

After consultations with these structures and in particular with affiliates working on food security issues the IUF would like to make the following nominations for the agricultural and food workers representatives in the Consultation Committee for the Civil Society Mechanism in the CFS:

- **Ms Sveltana Boincean, IUF**
- **Ms Alessandra Lunas, CONTAG, Brazil**

If you require any further information please do not hesitate to get back to us.

We wish the CSM every success,

In solidarity
