

Criteria for CFS Side Events

- ✓ CFS side events should either be relevant to the current session or to topics that are considered a CFS priority. They are cleared by the CFS Chair
- ✓ There should be no more than two a day and they should not be in parallel with other CFS Side Events
- ✓ Interpretation and supporting documents should be in at least three official languages
- ✓ Interpretation and room reservations are paid for by the organizer of the side event but organized through the Secretariat

CFS side events are listed in the CFS Side Events Calendar and posted on the CFS website

The CFS Secretariat will not be responsible for the organization of other side events being held in FAO premises during the week of the CFS session. Such side events will not be included in the CFS Side Events Calendar or posted on the CFS website.
